

RV Camping RV camping at this venue is on blacktop. Reserve online LCFAIREXPO.COM/RV-RESERVATIONS. Confirmation sent email along with your assigned RV slot number. You can also call Rachel directly 541-704-1182 or 541-926-4314.

Tent Camping: \$10 per night Cash or Check only. First come first served basis. Camp Host is Donna Roulier (OFFF Board member) 503-884-3422. Please check in with her upon arrival. Water & restrooms w/showers available at west end of Cascade Pavilion. Tents may be set up on the large lawn between Cascade & Santiam buildings. A few sites along the walk of the 2 buildings have 15 amp electrical outlets. Other camping details can be found at www.oregonflockandfiberfestival.com.

Class Entry Fees: \$30.00 per halter class (double show), \$30.00 per novice or advanced performance class (double show), each bagged or fleece-on entry is \$15, youth performance classes are each \$15.00 (double show), youth showmanship is \$10.00 (double show), and youth costume class is \$5.

ILR Fee: There is a \$6 fee for each llama participating in halter and performance classes (double shows) and \$3 fee for each llama participating in fiber classes (single show) – if the same animal is shown in fiber and halter, or fiber and performance, or all three, the fee is just \$6. This fee applies to all exhibitors. Reminder, finished products and skeins of yarn do not pay a \$3.00 fee! FYI - If you enter online, Show Manager cannot handle both a single show (fleece) and a double show (halter and performance) – this means your per animal fees shown by ShowManager are likely to be wrong and will be adjusted at check in.

Sharing Performance Animals: Animals may show in ONE Performance Division. Youth showing an animal in the Youth Division may NOT show the same animal in the Novice or Advanced Division, but the youth may compete in Novice or Advanced (with enough wins in Novice) performance classes with a different llama.

Stall Fees: \$20.00 per stall per day (limit of two adult llamas or three juveniles per pen). Saturday stall fee includes those arriving Friday – plan to arrive after 2:30 pm. Departures are allowed after 5pm Saturday evening and Sunday after 4pm. If you are staying the whole weekend, stalls are \$38. Please remember that all animals brought to the Event Center grounds must be placed in pens. The Event Center does not allow livestock to be housed in trailers. In addition, any animals brought on premises must be entered in the llama show.

Straw for Stall Bedding: WILCO has donated a limited number of straw bales for Llama Show Exhibitor use. It will be available on a first come first served basis.

Health Requirements: The show does not require a Certificate of Veterinary Inspection; those traveling across state lines to reach the show should be aware of requirements of the jurisdictions through which you will pass.

Awards: Rosette ribbons will be awarded to first and second place in each class and Grand and Reserve Champions for each performance and halter division. Third, fourth and fifth place in each class will receive a flat ribbon. Flat ribbons will be awarded for skeins and finished goods.

Arrival and Departure: Llamas may check-in between 2:30pm and 9pm Friday (PLEASE DO NOT ARRIVE EARLY WITHOUT MAKING SPECIAL ARRANGEMENTS WITH THE SUPERINTENDENT) or 5pm – 7pm Saturday evening for Sunday classes. Stalls must be clean when you depart. This includes any and all bedding, you should only have bare pavement in your stall when you depart.

2024 OFFF SHOW RULES HALTER/PERFORMANCE/YOUTH/FLEECE CLASSES

It is the exhibitor's responsibility to follow the 2024 ILR Guidelines for this event.

You can find a copy of it here:

https://secure.lamaregistry.com/downloads/ShowDivision/ILR-SD_GN010_Guidelines.pdf

CLASS DESCRIPTIONS

Wool Division Descriptions:

Light Wool: Minimal body wool, short neck wool with smooth head, ears and legs.

Medium Wool: Moderate to long body wool, minimal to moderate neck wool, smooth to moderate head and leg wool.

Heavy Wool: Abundant body and neck wool, and minimal to abundant head and leg wool (i.e., leg wool at least to knee and hock).

Classic Llamas: double coat with prominent, abundant guard hair throughout coat, on the body (except juveniles and yearlings), undercoat has moderate to sparse density and is either minimally or not at all visible under the guard hair, very short smooth fiber on the face, ears, forehead and head, short leg fiber above the knee or hock and short smooth or minimally ruffled hair below the knee or hock, a large "window" of short, smooth hair on either side of their sternum, and neck fiber that often sheds out leaving a discernable guard hair "mane."

Llama Age Division Descriptions:

Juvenile: 5 months up to less than 12 months

Yearling: 12 to less than 24 months

Two-Year old: 24 months to less than 36 months

Mature: 36 months and older **NOTE:** On a llama's birthday, the llama moves up to the next older class.

Non-Breeding Llamas:

These classes are for geldings, vasectomized males, and spayed or non-reproductive females. There are no sex or wool divisions.

Bred and Owned:

Each entry must be an animal that was bred and raised by the owner. Owners may enter more than one animal in the class if they wish. **Rules:** The animal(s) entered must have shown in its correct halter class earlier in the day.

Production Pair:

Each entry must include two offspring by the same sire or the same dam. All animals included in the Pair must first be shown in their appropriate halter class age division. While the entry is in the sire or dam's name, and awards recognize the parent, the parent is not shown in the class. **Rules:** The two animals that comprise the Pair may be decided after halter classes but must be listed with the clerk before this class is held. If the Exhibitor(s) is (are) not the sire or dam's owner, they must have written permission of the sire or dam's owner to enter the animal in this class.

PERFORMANCE CLASSES:

Obstacle, Public Relations and Pack Classes

The purpose of these classes is to demonstrate the well-trained animal's obedience and willingness to complete the activities requested by the handler.

YOUTH CLASSES:

Age Categories - Youth's age is based on their age on January 1st unless a youth reaches 7th birthday this year or the senior becomes ineligible upon reaching their 20th birthday. See

https://secure.lamaregistry.com/downloads/ShowDivision/ILR-SD_GN010_Guidelines.pdf, pages 88.

JUNIOR includes ages 7 years through 11 years

INTERMEDIATE includes ages 12 years through 14 years

SENIOR includes ages 15 years through 19 years

FYI – Hint: If you use ILR's ShowManager to enter the show, please note that the ages in the class descriptions for intermediates and seniors have been wrong. Use the age breaks shown above to determine if the youth is an intermediate or a senior and ignore the ages provided in ShowManager.

Showmanship Classes:

A Showmanship class is a demonstration of the handler's ability to show his/her animal to its best advantage at halter. Judging is based on the exhibitor's basic skills in fitting, grooming, following directions, and style of presenting the animal to the Judge for evaluation. Handler's attire should be neat, clean, and appropriate for the class.

Youth Costume Class:

This is a non-ILR class where the llama, and typically the handler, are dressed in costume. Recognizing that most llamas do not like things touching their head and legs, the handler earns "extra points" for having a costume that requires the llama to accept decorations/costume parts that cover or touch these areas.

FLEECE COMPETITIONS:

Find details in the Word document at <https://secure.lamaregistry.com/showing/show-forms-and-documents.php> This has information about the different types of fleeces as well as guidelines for getting the fleece ready for judging. Use the "Fleece Entry Form" to enter shorn fleeces
